

KNIGHTS CORNER

July 16, 2023

St. Charles Council #2084

First I want to say thank you for electing me to be your Grand Knight. I joined the Knights a little over a year ago and for any of my brother Knights or parishioners I haven't met yet, I thought it might make sense to introduce myself. I'm not blessed with the former Grand Knight's journalism experience, but I'll do my best to live up to the bar he's set.

I grew up attending St. Joseph School where a big part of my life was altar serving at Mass. We moved away when I was in middle school and my family has all moved back to the area roughly 5 years ago.

We love our parish community and you may run into/see us a couple different ways. My wife Lauren works with the Walking with Moms in Need program, Alpha Family Services, and does after school care at St. Charles. I have 2 little boys, Liam and Lucas, who attend the school, and my mother Amy teaches 4th grade there as well. 4 generations of us typically attend the 11am Mass.

In addition to being a member of the Knights, I'm part of a group of gentlemen who train the altar servers and you will see me serve alongside them from time to time.

This parish community has welcomed my family and we're grateful the parish does so much for our faith community and the community around us. Joining the Knights has been a big part of that and has blown me away in how they have allowed me to live my faith more fully and make a difference. Thank you for welcoming me as one of your own.

Kevin Norton
