

KNIGHTS CORNER

September 24, 2023

St. Charles Council #2084

Thank you everyone who donated to the food pantries and the homeless support bags. I've seen the church filled when we've done our Thanksgiving drives, but was shocked to see a similar result in the short turn around. The official count is still coming in, but we are over 126 bags at the time of writing this. Thank you!

For anyone who forgot and would still like to donate, or just feels called to do so at another point during the year, there is always a wooden box for donations with a list of in demand items located by the door to the family chapel/nursery. There are also boxes with the needs and requests of other wonderful causes located there as well.

When we do work for our neighbor like this we are putting our faith into practice and following Christ's example. Our next similar event is about a month away. The October MI drive (tootsie roll drive) is another example for us to follow that example publicly. Oct. 13th and 14th Knights and their families will be in front of local businesses collecting cash donations and handing out tootsie rolls to support the Special Olympics and Camp Optimist. Make sure to say hi when you see us and I encourage all brother Knights to sign up for a shift or two when the sign up sheet is available.
