St. Charles Council #2084

Thank you to all our wonderful volunteers and customers who helped make the Danish Festival a success. It was the hottest one that I've participated in and the extra sacrifice to work in the heat didn't go unnoticed. Thank you so much. This year was very successful at the aebleskiver booth, and we also had a new addition. Jacob and Ron Woycehoski, sold Danish Dogs at a second booth, as another Danish food option and chance to raise even more funds.

Both booths got some press this year with an article in the paper and the Michigan Knights website at: www.thedailynews.cc/articles/danish-dogs-deliver-taste-of-denmark/ (subscription required to read) and <https://mikofc.org/news/stcharles-council-2094-serving-danish-food-raising-funds-and-has-a-great-time-in-greenville> respectively.

Thank you again as we couldn't have done it without all of you.
