

Knights Corner

November 16, 2025

St. Charles Council #2084

Thank you for all your generous support so far with the Thanksgiving food items and contributions to our meal baskets. My family has had the privilege to deliver a few baskets to those that couldn't pick up and the gratitude expressed to our parish community is overwhelming. The major item we always seem to buy more of is Turkeys. If you are in a position to donate one we can definitely find it a good home.

Similarly for Christmas, we are still looking for sponsors for the adopt a family program. If you feel called, please sign up via the QR code in the bulletin, contact the Woycehoski family, or me. For those unable to sponsor a family who would still like to help, donations are always accepted, please just make a note that it is for "Adopt-A-Family".

Thank you,

Kevin Norton
