## St. Charles Council #2084

This coming Tuesday at 6:30pm is our next Cor meeting. As you may know Cor isn't just for Knights, it's open to any adult male, Catholic or not, who wants to spend some time getting to know other men of the parish, grow their faith, and have some fun. Currently we're just starting reading C.S. Lewis's (thank you for the plug last week in your homily, Father) *"The Screwtape Letters"*. It's an entertaining read and from what I remember presents a lot of the daily temptations we run into dealing with others in a very interesting light.

Our Council and Parish do a lot and I feel like I'm often asking for volunteers. This one is an example where we'd love to give something back. It's certainly not too late to join and while I know it can be a little intimidating starting something new for some, iron sharpens iron, and some awesome conversations have come out of this program. We'd love to have you join us.
