From the Grand Knight

Brother Knights,

June is here and that means our regular meetings return to John Brown's house. This means not only a meeting, but good company and good food as well. Come join us. Speaking of good food, Jeff Marshall is hosting our annual picnic at his poolside on June 27th. Bring your own meat to cook on the grill, a dish to pass, your favorite beverage, and expect to have some fun in the pool. Bring the family.

June also marks the end of the fraternal year. Officer elections will be held at the June 24th meeting. This is an important meeting and hope to see you there.

Vivat Jesus
Dan Wolf

Holy Father's Prayer Intentions—June

General:

That every national and transnational institution may strive to guarantee respect for human life from conception to natural death.

Missionary:

That the Churches in Asia, which constitute a "little flock" among non-Christian populations, may know how to communicate the Gospel and give joyful witness to their adherence to Christ.

June 6th—The Most Holy Body and Blood of Christ

Soul of Christ, sanctify me. Body of Christ, save me. Blood of Christ, inebriate me. Water from Christ's side, wash me. Passion of Christ, strengthen me. O Good Jesus, hear me. Within Thy wounds hide me. Suffer me not to be separated from Thee. From the malicious enemy defend me. In the hour of my death call me and bid me come unto Thee that I may praise Thee with Thy saints and with Thy angels forever and ever. Amen.

Charley Riker, Sam Andres, and Dan Wolf placed new flags at the gravesites of the veterans at St. Charles Cemetery on May 24th in preparation for Memorial Day, to honor those who served our country.

Adoration

What an honor it is for your body to be spiritually sacrificed in the hour of your adoration before the Blessed Sacrament! What a privilege for your soul to do here below what the angels and saints are doing in heaven so sweetly and gloriously although you have not their understanding nor their light but only the feeble light of faith. *Louis de Montfort*

Contact Roger Truskowski if you can fill a 3:00 pm vacancy at Wednesday adoration.

For Brother Knights, by Brother Knights

It's Never Too Early to Plan for the Future

Traditionally, these next few month's are for two important life events: graduations and weddings. These two events are also opportunities to review you life insurance coverage—particularly if you're young and in good health.

It's a simple fact that when you're young and healthy, your rates for coverage will be lower than when you're older and your health might not be as good. Even if you're in excellent health there's no way to predict exactly when your death will occur. It's unavoidable that your family will suffer emotionally if you should die. However, financial hardship is something that you can prevent.

Owning enough life insurance ensures that your family will always have enough money, come what may. As your Knights of Columbus agent, I can help you determine what is "enough" for your own family. I can also discuss with you the merits of each kind of life insurance.

It's become fashionable to focus almost exclusively on planning for a prosperous retirement. Yet, even in this age of improved health and longevity, some families must still endure the premature loss of a breadwinner. The fact is, none of us can be assured that retirement will happen until we actually get there.

By taking steps now, you protect your loved ones against the possibility of your death. What's more, the sooner you act, the greater the benefits will be for your family, and possibly, for you as well.
